# HOME HEALTH AIDE

## ABOUT DEEPAK FOUNDATION

Deepak Foundation, was initiated in 1982 with a vision of providing healthcare facilities to the families of workers and local communities residing in the industrial area of Nandesari. The Foundation has progressed over the period into a leading non-profit civil society in Gujarat and has expanded its services pan India; with branches in Maharashtra, Madhya Pradesh, Telangana, Jharkhand, Haryana, and Delhi. The Foundation has established the Institute for Skill Building, Research and Innovation (ISBRI) with the objective of creating a robust and vibrant eco-system for quality education and skill development. ISBRI is affiliated to the National Skill Development Corporation for conducting Home Health Aide (HHA) course. Rising health care needs requires a large cadre of well-trained professionals, thus making the HHA course a very high demand skill training course.

## SCOPE OF THE COURSE

Home Health Aide workers provide routine individualized healthcare to the elderly, convalescents, or persons with disabilities at the patient's home or hospitals. They provide personal care such as bathing, dressing, and grooming of patient, and also monitor and report changes in health status. They provide assistance to recovering or chronically ill, elderly, and to those primary care givers, who provide care and sometimes need relief from the physical and emotional stress of caregiving.

## TIME FRAME

- Total training hours: 360 hours (3 months).
- Classroom & practical training hours: 180 hours (1.5 months). Theory conducted in classes and practical conducted in well-equipped practical lab in the institute.
- On the job training: 180 hours (1.5 months) training at hospital setting in the network hospitals.

## AFFILIATION OF THE COURSE

The course is affiliated to National Skill Development Corporation, Health Sector Skill Council.

## LOCATION OF TRAINING

Vadodara in Gujarat and Hyderabad in Telangana.

## COURSE ELIGIBILITY

- Both male and female candidates in the age group of 18–40 years.
- Required educational qualification of the participant: Class X preferably, but Class VIII in certain cases.

## EXPERIENCE OF CONDUCTING THE COURSE

Deepak Foundation has been conducting this course since 2016. Till date, **73 batches** have successfully completed and participants have been trained. In all, **1093 participants** are gainfully employed in health care sector.

## JOB OPPORTUNITIES

The course being a comprehensive blend of theoretical and practical learning offers enormous placement opportunities in hospitals, old age homes, and with agents who supply helpers and more. The institute provides 100% placement assistance.
