About Deepak Foundation

Deepak Foundation has established the Institute for Skill Building, Research and Innovation with the objective of creating a robust and vibrant ecosystem for quality education and skill development and is affiliated to the National Skill Development Corporation for implementing Government of India approved course. The Foundation offers a great variety of training programs to build capacity of various groups, ranging from local communities to frontline health workers, government functionaries and NGOs. The Foundation has two national level affiliations which makes it eligible for implementing government approved courses. Home Health Aide Course is currently implemented under the Healthcare Sector Skill Council and General Housekeeping Course implemented under Domestic Worker Sector Skill Council.

What is Housekeeping cum Cook course?

General Housekeeping cum Cook course offers opportunities to those working in the informal sector, a critical operational role in the domestic worker segment by skilling them in following standard operative procedures in handling housekeeping and basic cooking services.
