

# LIVELIHOOD INITIATIVES

---

Training underprivileged and unreached communities to improve livelihood opportunities and skill development of functionaries.

# DEEPAK FOUNDATION'S LIVELIHOOD PROJECTS:

- Works with under-privileged and marginalized communities by ensuring their needs are met through education opportunities, natural resource management, sustainable agriculture and livestock and promoting livelihoods.
- Believes in collaborating with government programs for wider reach and impact.
- Combines institutional, corporate, individual and govt. support to work in three geographies – Gujarat, Maharashtra & Jharkhand in producing tangible results.

## Our Intervention areas:

Water Conservation	Green Area Development
Integrated Village Development	Solid Waste Management
Promoting Agriculture & Animal Husbandry	Self Help Groups (SHGs) - Capacity Building and Mentoring
Entrepreneurship development and Income generation for SHGs	Nutritious meals to Children
Story telling sessions and Mobile Library for Children	Health Clinic in rural setup

## Our Intervention Locations

We have ongoing projects in Vadodara, Panchmahal, Dahej and Chota Udepur districts in Gujarat and Palghar district in Maharashtra.

## RECOGNITIONS & ACCREDITATIONS:

- Registered under DeenDayalUpadhyayaGrameen-KaushalyaYojana of National Rural Livelihood Mission, Govt of India.
- Resource Institutions for Promoting Farmer Producer Organizations by Dept. of Agriculture & Cooperation, Govt. of India.

## OUR OUTREACH:

- 4392 Rural farmers impacted through water conservation interventions.
- Agricultural training provided to 1145 women farmers in Naswadi under the Mahil Kisan Sashaktikaran Pariyojana Scheme.
- 144 Women Self Help Groups (SHGs) formed by 2020 with a total of 1536 members.
- 1273 SHG women engaged in income generation activities, average monthly income = Rs 5100 per month.

## OUR OUTCOMES:

- 28475 sq.m. area covered and 290 lac litres water conserved due to our Farm ponds construction in Panchmahal and Rain water harvesting structures done in Palghar during 2019-20.
- 1609 acres covered through training farmers on Sustainable Agriculture.
- Installed Micro Irrigation Systems in partnership with farmers in Panchmahal.

## ***Project Paripurna and Farmer Producer Companies (FPCs):***

*Deepak Foundation has initiated project 'Paripurna' with the support of Millennium Alliance and Deepak Group of Companies for 6000 marginal tribal women farmers in 88 villages of Kawant and Naswadi blocks of Chhota Udepur district in Gujarat. The project focuses on the key processes like product design of Instant Meal Mix, Community engagement and capacity building of FPCs. A total of 300 FPGs have been formed and around 5000 women will get direct benefit from the project.*

## Our Partners: Govt, CSRs and Institutions:
