ENLIGHTENING LIVES

VISION

Empowering underprivileged and unreached communities to ensure holistic development, economic stability & a life of dignity.

For the past four decades, Deepak Foundation has been a beacon of hope, relentlessly dedicated to uplifting the lives of underprivileged and marginalized communities across India. As one of Gujarat's leading non-profit organizations, with a rapidly growing pan-India presence, the Foundation's impactful initiatives touch the lives of over 4,00,000 individuals annually. The Foundation is registered under the Bombay Public Trust Act, 1950.

MISSION

Creating a socially inclusive and sustainable environment for the vulnerable, especially abled, under-privileged, and unreached communities by providing healthcare, education, skills building, and livelihood opportunities. With focus on women empowerment, we envisage a society free of distress, deprivation, exploitation, and subjugation and the overall well-being of the family and community.

15,000 sqft
of office and training centre

3,000 sqft
of residential facility for trainees and faculty

WASH
Promoting access to clean water, sanitation, and hygiene practices.

OUR CORE FUNCTIONS

1. Preventive medical services through maternal and child care health facilities and mobile health units

3. Skills building of front line functionaries in health and livelihood sectors
4. Research and Development
5. Empowering underprivileged and marginalized women
6. Improving literacy level among children
7. Holistic development of children with special needs
8. Public Private Partnership initiatives
9. CSR consultancy services

AREAS OF INTERVENTION

PUBLIC HEALTH & CLINICAL SERVICES

We provide public health and nutrition facilities to the marginalized population in rural and tribal areas. Clinical services are provided across urban slums, rural and tribal areas.

RESEARCH & DEVELOPMENT

We rigorously test and develop scalable models to address critical social challenges. By actively disseminating our findings, we aim to inform practitioners and policymakers, driving positive reforms that benefit communities.

EDUCATION

Committed to building strong foundations for future success, the Foundation works to provide preschool education opportunities to every child in rural, tribal, and slum communities.

SKILLS BUILDING & LIVELIHOOD

Deepak Foundation bridges the skills gap by providing targeted training and upskilling programs that empower underprivileged and unreached communities to achieve economic independence.

DISABILITY & SPECIAL NEEDS

We work with children with special needs to empower them to live a life of dignity and independence.

CSR PROJECTS

Since 2013, the Deepak Foundation has served as a trusted advisor to corporations, providing comprehensive CSR consultancy services. We offer expertise in needs assessments, baseline studies, and impact evaluations, empowering both public and private organizations to design and implement effective social responsibility initiatives.

MOBILE LIBRARY

The Mobile Library attempts to boost children's reading, cognitive, and intellectual abilities. It pertains to school dropouts and enrolled students with inadequate reading skills.

MOBILE HEALTH UNIT (MHU)

MHU operates to deliver low-cost, easily accessible, and excellent healthcare to impoverished rural and tribal populations.
