ABOUT US

"Sangaath, a technology-driven initiative, aims to widen the access of Government schemes to eligible beneficiaries. Following government directives, new schemes are regularly added to the options available through Jan Suvidha Kendras. These centers provide services such as scheme information, application assistance, doorstep outreach, follow-up visits, and document lamination. The Adhikar Card, utilizing QR-based technology, offers beneficiaries a selection of schemes based on eligibility."

GOAL

To increase the utilization of Government schemes and services, thereby contributing to sustainable community development.

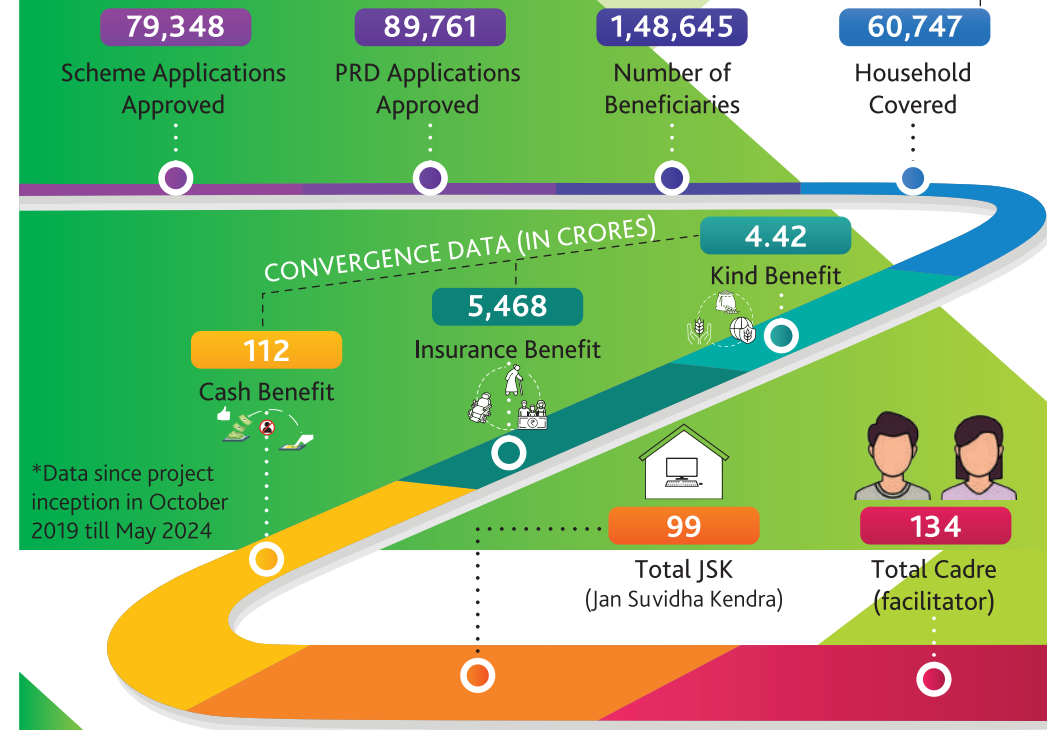

PROCESSES OF SANGAATH

OBJECTIVES

- Develop a database of prerequisite documents (PRDs) for 100% of households in the intervention villages.
- Link at least 80% of eligible households with selected Government schemes and safety net programs.
- Develop a cadre and build the capacity of local women and men to facilitate applications.
- Establish "Jan Suvidha Kendra" in intervention villages in coordination with village-level government bodies.

ACHIEVEMENTS OF SANGAATH
