## Women in Climate Action: A Seminar for Sustainable Futures

Deepak Foundation hosted the "Women in Climate Action" seminar in Vadodara, bringing together thought leaders to explore the intersections of climate, gender, and community. Panelists shared insights on corporate ESG, ecosystem restoration, and women's health, inspiring action for a resilient, greener tomorrow.

## Mangrove Restoration and Green Commitments in Gujarat

Deepak Foundation joined state leaders to discuss environmental priorities, including tree plantations and mangrove restoration. The Foundation showcased its work in Vagra, Bharuch, where over 1 lakh mangroves have been planted—part of a larger effort to double green coverage in the region.

## A New Chapter of Access with Jan Suvidha Kendra in Khokhar

The inauguration of the Jan Suvidha Kendra (JSK) in Khokhar village, Savli block, marks a significant leap toward improving access to government services. As part of Deepak Foundation's Sangaath Project, supported by Schaeffler India Limited, the center aims to bridge rural communities with essential schemes and entitlements. Applauded by community leaders, this initiative fosters empowerment and inclusive growth.

## Empowering Girls Through Menstrual Health Awareness

Deepak Foundation's Project Sparsh recently conducted a transformative session at Balana Pura Primary School in Savli, Vadodara, focusing on menstrual hygiene, nutrition, and awareness. The session reached 55 girls from 6th to 8th grade, addressing common myths, encouraging hygienic practices, and distributing sanitary pads. Individual counseling further provided a safe space to address personal concerns. By breaking taboos and promoting dignity, the Foundation is empowering girls to manage their menstrual health with knowledge and confidence..

## Corporate Partnership Driving Rural Development

In collaboration with KOHLER Co., Deepak Foundation is uplifting rural Gujarat through improved school sanitation, clean drinking water, and watershed rejuvenation. Laura Kohler, Chief Sustainable Living Officer, personally visited project sites, engaging with families and celebrating milestones. The partnership exemplifies the power of CSR in creating healthier, empowered communities.

## Cleanliness Rally Inspires in Morbi's Derala Village

Students from Derala Primary School led a spirited cleanliness rally, spreading awareness about hygiene and environmental responsibility. As part of Deepak Foundation's Sangaath Project, their enthusiasm was met with rewards—stationery supplies to support their education and ongoing commitment.

## Collector of Vadodara Visits Samaj Suraksha Sankul

Shri Anil Dhamelia (IAS), District Collector, Vadodara, visited Sankul campus, observing vocational training, digital literacy, and classroom practices. His engagement with the children and staff highlighted the Foundation's holistic approach to nurturing ability with dignity.

## Shaurya 2025: Celebrating the Spirit of Special Children

At the All-Vadodara Special Children's Sports Meet, Shaurya 2025, children from Samaj Suraksha Sankul, managed by Deepak Foundation, shone brightly. Hosted at Akota Stadium by Friends Society, the event gave differently-abled children a platform to showcase their talents in races, shot put, archery, memory games, and more—proving that ability lies in determination and spirit.

## Sangaath Project's Success Showcased in Roha, Maharashtra

A dissemination workshop in Roha, Raigad, celebrated the tangible outcomes of the Sangaath Project—from better agriculture to improved livelihoods. Recognized by local officials, the project stands as a model of rural development through effective scheme utilization.

## Women's Self-Help Group Honored in Raigad

Deepak Foundation's SHG, Saksham Mahila Udyog from Khalapur, Raigad, received accolades from Raigad and Khopoli Press Clubs for empowering women through sustainable livelihoods. The award reflects their inspiring journey and grassroots leadership.

## NITI Aayog Applauds SHG Women in Jharkhand

During a visit to Gameraiya block in Jharkhand, the NITI Aayog team praised Deepak Foundation's SHG members for their work in producing sanitary napkins and health products. Their dedication reflects the power of women-led enterprises in transforming community health and livelihoods.

## Nidaan Van Recognized for TB Eradication Efforts

Deepak Foundation's Nidaan Van project was honored by the Health Department and District Panchayat of Chhota Udepur for its contribution to the TB Mukht Bharat Abhiyan. Through mobile TB screening and nutrition support, the initiative has made vital inroads in early diagnosis and care, strengthening community health systems.

## Recognition for Community Service

Deepak Foundation was felicitated at the Annual General Meeting of Swarg Community Care Services, acknowledging its continued efforts in public service and community upliftment.

## Partnering for Rural Progress: UBA Workshop

At the Unnat Bharat Abhiyan (UBA) State Workshop, Dr. Jai Pawar presented Deepak Foundation's village development work. With MSU Baroda as the RCI, the event encouraged HEIs to collaborate with NGOs like Deepak Foundation to advance rural transformation goals for 2025–26.

## 9,700+ Families Empowered in Bharuch Through Sangaath

Deepak Foundation's Project Sangaath, funded by Deepak Phenolics, has revolutionized access to government schemes in Bharuch. Over 29,500 individuals across 9,700 families have benefited, accessing more than ₹1,200 crore worth of entitlements. Recognized in a stakeholder workshop attended by senior district officials, the project demonstrates how informed outreach can transform lives at scale.
